An Update from Thailand

Our time in Thailand was a profound experience, overflowing with God's love as we engaged in diverse ministries. From farming and gardening to teaching English, working at a preschool, and visiting homes, each activity was infused with care and compassion. We also supported orphanages and foster care, participated in manual labor, and conducted research, all reflecting the deep impact of our shared faith and commitment.

In this newsletter you will find:

Latest updates, team ministries, testimonies, and more. Keep reading!

Team Unity

WE ABSOLUTELY LOVED WORKING WITH FOUNTAIN OF HOPE!

Team Unity's time at Fountain of Hope, a combined orphanage and foster home for 12 children, was deeply enriching. They engaged in a variety of ministries, including teaching English at public and monk schools, leading preschool activities, conducting house visits, and participating in farming ministry, all while fostering a nurturing and supportive environment for the kids.

THROUGHOUT THEIR EXPERIENCE, THEY NOT ONLY CONTRIBUTED TO THE CHILDREN'S LIVES BUT ALSO EXPERIENCED SIGNIFICANT SPIRITUAL GROWTH, DEEPENING THEIR FAITH AND STRENGTHENING THEIR SENSE OF PURPOSE AS THEY WITNESSED GOD'S LOVE IN ACTION.
